Nahid Allahverdiyev

Hi, I am studying the field of frontend developer. From a young age, I have been captivated by the power of technology and its ability to shape the world around us. This fascination led me to pursue a degree in Computer Science, where I gained a comprehensive understanding of web development principles and best practices. Throughout my academic journey, I have honed my skills in HTML, CSS, and JavaScript, and have successfully completed several projects that demonstrate my ability to create visually appealing and user-friendly websites.

🏛 EDUCATION

Fall 2022/May 2026	**Nakhchivan State University**
	Bachelor's degree, Computer Engineering

📜 COURSES AND CERTIFICATES

Feb 2024/Aug 2024	**Coders Azerbaijan**
	Full stack developer

May 2024	**IBM (Web Development Fundamentals)**
	This credential earner demonstrates knowledge of web development concepts, processes to develop, deploy, and test websites, and the tools and programming languages that web developers use. The individual has a conceptual understanding of how to develop an interactive website using HTML, CSS, and JavaScript in a simulated integrated development environment (IDE). The earner is aware of the job outlook in web development and is familiar with the skills required for success in various roles.
